February 12, 2018

Dear Parents of AP Students at Pikesville High School,

Students currently enrolled in AP courses have quickly realized the value of taking such demanding courses. AP courses not only allow students the opportunity to study a subject in greater depth but also help to prepare them for college level work.

The next important step after completing the AP class at Pikesville High School is to take the AP exam in the subject(s) that has been studied all year. College admissions officers are well aware of the rigor of AP courses and exams, and colleges may award credit for certain scores on the tests. Participation in the program, which includes taking the AP exam, can only be a positive step toward admissions and placement in competitive colleges. Please read the included **Bulletin for Students and Parents 2017-2018** to learn about additional benefits of the AP program. You may be interested in learning how particular colleges award AP credit. That information is available at <http://www.collegeboard.com/ap/creditpolicy>

The scheduled dates established by the College Board for the AP exams are included in this packet. Morning testing sessions are scheduled for 8:00 a.m. until 12:00 p.m.; afternoon testing sessions run from 12:30 p.m. until 4:00 p.m. Students should plan to arrive 20 minutes early. **Students taking afternoon exams are responsible for their own transportation to and from the testing site.**

## To register for AP exams:

- Please complete the enclosed registration form and return it with full payment to **Mrs. Thomas** in Room 110 on or before **Friday, March 16, 2018**.
- Make checks payable to **Pikesville High School**. (There is a fee for returned checks)
- The total cost of each AP exam is **\$94.00**
- Fee reductions from College Board are available for students who are on the Free and

Reduced Meal program or for those with economic need. (See the family income table included in the registration packet). Contact Mrs. Thomas for more information.

- **There will be no refunds after April 27<sup>th</sup>**, a \$70.00 refund may be requested in writing
  - If a student has an emergency, or is ill the day of the exam, contact must be made with Mrs. Thomas that day.

#### Cell Phone Policy:

The College Board has imposed a strict policy forbidding cell phones and other electronic devices in the testing rooms. All electronic devices, including cell phones, must be labeled with the student's identifying information and will be secured by exam proctor only being returned after testing has been completed. If a student is seen with a cell phone, MP3 player, PDA, Apple Watch, or any other electronic or communication device in the testing room or during a break, the device will be confiscated and the student dismissed from testing. The test will be invalidated. **Please consider leaving all electronic devices at home or in a vehicle during testing.**

#### Pre-Administration Sessions:

**All students are required to attend one of the pre-administration sessions during first period to bubble their answer sheets prior to testing.** The following session are being offered to students:

- April 25, 2018
- April 26, 2018
- April 27, 2018

Students who are enrolled in Seminar Classes will have the opportunity to complete this task in their Seminar class.

If you have any questions regarding registration for the AP exams, please contact Mrs. Thomas at 410-887-1217 ext. 263 or by email at [mthomas18@bcps.org](mailto:mthomas18@bcps.org)
