

CLASS OF 2020 YEARBOOK BABY AD FORM

Dear Parents,

The time has come! It may be hard to believe, but your son or daughter is finally a senior and you may preserve those favorite childhood memories by placing a baby ad in this year's book. Baby ads are comprised of photograph(s) and a message in a selected size.

We ask those making a baby ad to exclude any inappropriate pictures, such as those portraying nudity of any kind (no matter how young the child) and any messages with inappropriate language. **Quotations from a song, poem, etc. may not exceed two lines in length unless they are anonymous or over 75 years old.**

You may send in a photo either on photo paper or digitally. Cut pictures, pictures from home printers, and collages will **NOT** be used. Please label the back of all photos in pencil with your child's name and 1A/1B homeroom. Physically submitted photos will be scanned and returned to you, if they are labelled properly. You may send digital photos on a flash drive or email them to cyadush@bcps.org. We cannot use digital images off websites since they are compressed. We appreciate your compliance with these rules. Messages should be typed or hand written neatly as to avoid typographical errors. Please make sure the message indicates who the message is for and who the message is from.

If you wish to send in a baby ad, please place photographs, messages, this order form, and check, money order or cash into an envelope and give it to **Mrs. Yadush** (via her mailbox or in person), or mail to Mrs. Yadush. Prices increase throughout the year, so order early.
